

Open positions 11/30/2017

# 2 Research Assistants

Urban Transformations Lab

For supporting an international research project on urban planning and sustainability (11/17 – 10/18), two research assistant positions (social sciences) are immediately available.

Requirements:

- Undergraduate (junior/senior) or graduate students
- Strong interest in urban development and sustainability
- Solid English language proficiency

The positions will be filled as soon as suitable candidates have been identified. Students who would like to apply should send an informal expression of interest by email to:

Prof. Marc Wolfram, [wolfram@skku.edu](mailto:wolfram@skku.edu), Dept. of Architecture
